Council of the United States

Dear New Member:

WELCOME TO THE VINCENTIAN FAMILY!

You are now part of the efforts of over 900 men and women in the Milwaukee District Council who have committed themselves to helping people in need in our community by joining the Society of St. Vincent de Paul.

We cannot offer you personal glory or even recognition for the works you do - simply a great deal of spiritual growth and peace - and a commitment to justice that may well last the rest of your life.

As President of the Council, I urge you to remain faithful to the meetings of your parish conference and to the principles of the Society of St. Vincent de Paul. We encourage you to sharpen your skills by reading the Society's publications and attending meetings of the Council and training sessions.

We invite you, at any occasion, to talk with me or any of our staff on problems that arise or for help with situations you encounter during your work as a Vincentian.

If you provide us with your email address, you will receive our national and local e-newsletters which will keep you abreast of SVDP Society happenings. Be assured that this list will be kept confidential; no outside agency can obtain this information from us.

Lastly, I ask you to please complete the enclosed membership form, and return it to the Central Office. This information will also be held in strict confidence and will assist us to understand your specific capabilities and talents. We have many volunteer opportunities besides our conference works that we encourage all Vincentians to be part of - at our stores, our meal sites, or our Vincentian Services Central Office. Again, thank you, and welcome to the St. Vincent de Paul Society!

Your Sister in Christ and St. Vincent de Paul,

Rosemary Storts  
SVDP Board President
